Sorenson

Sorenson's always in your corner

Choose products and features that fit your lifestyle. Sorenson's exceptional interpreters and innovative products offer a top quality VRS experience—on our Lumina VP or our ntouch apps you can take anywhere.

Get started today at
Sorenson.com

© 2022 Sorenson Communications, LLC. If you choose Sorenson as your default provider, you can port your existing 10-digit number to Sorenson from another provider or Sorenson can provide you with one for the geographic area where you live or work. If you later change your default provider, you can port your number to that provider. When selecting Sorenson, you must provide to Sorenson the physical address (i.e., the Registered Location) from which you are placing the call, so that Sorenson can properly route any 911 calls you may make. If you move or change your location, you must notify Sorenson immediately. You can update your Registered Location from your Sorenson videophone by calling 800-659-4810 or by visiting www.sorenson.com/moving. Sorenson will confirm receipt of your Registered Location information. Emergency calls made via internet-based TRS may not function the same as traditional E911 service. For example, you may not be able to dial 911 if there is an internet-service failure or if you lose electrical power, and your 911 call may not be routed correctly if you have not updated your Registered Location. For more information on the process of obtaining 10-digit numbers and the limitations and risks associated with using Sorenson's VRS to place a 911 call, please visit Sorenson's website: www.sorenson.com/disclaimer. For more information on toll-free numbering, please visit www.sorenson.com/tollfree.

Better Opportunities.

Bigger Impact.

We provide future-focused academics, an inclusive community, unparalleled access services and support, and real-world career experiences for deaf and hard-of-hearing students from across the country and around the world.

TOURNAMENT HISTORY

Marty Willigan, Hofstra's first two-time All-American (1968 and 1969) in wrestling, as a two-time NCAA qualifier and a two-time conference champion. Marty also was the first recipient of the MAC Tournament Outstanding Wrestler Award in 1968. He placed fourth at the NCAA Championships in 1968 and second in 1969, losing to Dan Gable in the finals.

In 1968 Marty became Hofstra's first All-American as he placed fourth at 137 pounds. In addition, Marty was a Metropolitan Intercollegiate champion and was the Metro Championship Most Outstanding Wrestler.

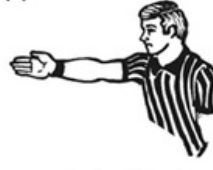

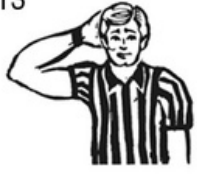

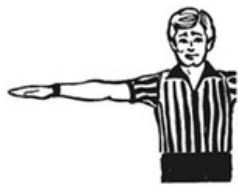

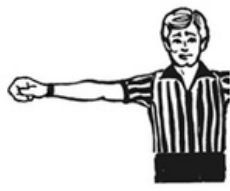

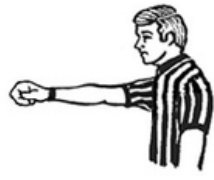

In 1969 Marty won another conference championship and advanced to the finals of the NCAA Championship at 137 before falling to Gable. The loss was Marty's only blemish on the season after 44 wins. After graduating from Hofstra in 1969, he was a member of the USA Wrestling Team at the World Games for the Deaf that year in Belgrade, Yugoslavia, and again in 1973 in Malmo, Sweden, and won a gold medal each time. Following his retirement from active competition, Marty turned his attention to coaching and was a member of the coaching staff for the American wrestling teams in the 1977, 1981, 1985 and 1993 World Games for the Deaf. During the 1989 Games, he coached the Canadian wrestling team.

Marty began working at Gallaudet University in 1969 and began coaching their wrestling team in 1970. Marty also served as head coach of the Model Secondary School for the Deaf from 1980 to 1985. He worked at Gallaudet University for 34 years and in 2000 was inducted into the NCAA Division III Hall of Fame for his coaching contributions. Marty is also a member of the USA Deaf Sports Federation Hall of Fame.
