Yearbook 2019-2020 EDITORS' LETTER

Greetings!

What a year it has been! From the 50th anniversary celebration to various events such as the first year of using iPads in classrooms, the top-3 finishes in tournaments, the COVID-19 pandemic, and finally, finishing the school year online.

We celebrated MSSD's 50th birthday this past year, so naturally, the yearbook theme is Feelin' Fly. The slang definition of "fly" is cool, amazing, or awesome. We took the opportunity to combine it with our school as our mascot is Eagles, and they fly too! The phrase Feelin' Fly has two meanings behind it, which are: show how cool this year has been, and to reinforce our excellent school spirit! The central color theme in the yearbook is red, white, blue, along with gold. This year is all about celebrating MSSD's 50th year, so we combined MSSD's colors and the standard 50th-year color to use in the yearbook.

One of our goals is to remember history in the past, present, and future. You will see information throughout the book. Their purpose is to have records for the future to look back on. We also wanted to give the book a contemporary feel, along with a vintage feel. With that, we mixed different elements from the past, present, and future throughout the book.

In this year alone, many memories have been created. What better way to preserve and remember it all than a yearbook? Our team has created this book with lots of love, and we hope you will enjoy flipping through the pages ahead and reminiscing on this fantastic and unique year.

In December 2019, a new virus called COVID-19 was first reported in Wuhan, China. This new virus was unknown. It quickly spread across the world, infecting 6 million people by June 2020.

In March 2020, three months after the outbreak was first reported, the World Health Organization (WHO) determined it to be a pandemic, spearheading sudden suspensions and closures across America. School districts closed for months. Major sports leagues, such as the NBA, NHL, and MLB, suspended their seasons. The NCAA March Madness was cancelled. Stores across the country were emptied. The American way of life changed overnight.

On March 11, Gallaudet University announced that it would be moving to online classes for the rest of the semester. A day later, MSSD and KDES announced that they would be closing for five weeks as a precaution starting March 16 until April 20. That changed into a closure for the rest of the school year, with classes being moved online. The reopening date is still unknown, with the earliest date possible being in late January of 2021.

Students were sent home, teachers were assigned to telework from home, and visitors were banned from campus. Slowly, the bustling campus of MSSD came to a rest. Here is a look at the campus that not many get to see.

CLERC CENTER @HOME

Due to COVID-19, MSSD had to move to online learning from home. It was named Clerc Center @Home. So many events were hosted virtually—from classes, to contests, to game nights! Here are some snapshots of the various events that went on during the online portion of the school year.

Hail to our mighty Eagles spirit, and
hail to our MSSD flag.
Our colors are **RED**, **WHITE**, and **BLUE**!

All of our opponents are afraid of our
MSSD athletes
because our MSSD athletes
put the pressure on and tear them up.

See how our
tall, short, huge, sturdy,
and nice looking Eagles
challenge, challenge the world and soar
all over –
from the north to the south,
from the east to the west –
while fighting to pull the team through.
Even though our MSSD athletes
take the hit,
become frustrated and feel discouraged.

What if our victory seems not possible?
Wait! Wait! Wait!
Our MSSD athletes are willing to fight
the tough fight from sunrise to sunset.

So hail to our mighty Eagles spirit, and
hail to our MSSD flag.
What are its colors?
Well, naturally, **RED**, **WHITE**, and **BLUE**!

Our athletes line up ready to go;
the referee blows the whistle.
Do our athletes hear the whistle?
No! They are DEAF!
Yet they all cooperate and yell
to support our team through!

Up the hill rests the proud MSSD Eagles.
What are our colors?
Of course, **RED**, **WHITE**, and **BLUE**!
